Board of Trade Field Day at Olds Set for July 19th

The Crossfield and District Board of Trade annual Field Day will be held at the Olds Agricultural School on Wednesday, July 15th, and it is hoped a large turnout will support this educational and interesting affair. All cars are to assemble on main street, between the Bank and Post Office, not later than 1:00 p.m.

School Fair Prize

Lists Printed

This weekend the School Fair prize lists for 1939 will be completed and distributed.

Once again the children of the agricultural field will put forth all efforts to maintain the high points and interest of the big event, which all people in the district talk about and learn continually.

Make sure you get your copy of the 1939 prize list, and do the best possible to keep this grand annual event to the fore.

King's History to be

Completed Next Week

Owing to unforeseen circumstances we are publishing only four pages this week, and will have to conclude the History of His Majesty, King George, next week. We expect to publish the full eight pages again next week, as usual, with all the news available. Just send us what you have, and we will do the rest. Thanks.

UNITED CHURCH NOTES.

Services at Madden next Sunday.

The church prizes the children of its families and desires the very best in home instruction and church influence and training for them. We are glad to have a number of parents present their children for baptism in last Sunday night's service and ask our people to request this ceremony for infants or children at any time. Those baptised were Vernon Keith and Lavonne Joyce Becker, John Wesley Willox, Roy Edwin Kursteiner.

The minister is attending Fairweather Boy's Camp this week with six boys from the country.

War Memorial

The memorial will be unveiled on Sunday 30th July at 2:30 p.m. Brigadier G. R. Pearkes, V.C., D.S.O., M.C. Officer Commanding Military District No 13 has kindly consented to be present. Further details will be given later.

40-Inch Wheat at Crossfield.

Mr. O. E. Jones said that the Herald reported 18-inch wheat in the Crossfield district, so, on Wednesday morning he brought us a sample of his, which, when measured, is 40 inches high. Mr. Jones is a progressive farmer, residing east of town.

The World of Wheat.

By H. G. L. Strange

"The agricultural scientist has helped farmers to make two blades of grass grow where only one grew before, and has assisted in many ways to increase farm production, but what does the agricultural scientist now intend to do in helping to distribute or to market those products now held as unsold surpluses?"

This was part of the address of welcome by Mayor Telford, of Vancouver, to the recent conventions of the Canadian Seed Growers' Association and of the Canadian Society of Technical Agriculturalists.

One part of the answer given to His Honor the Mayor was that besides increasing production, the scientist had also greatly increased quality, and that it was this superior quality contained in Canadian grains and in alfalfa, grass field root and garden vegetable seeds, that was enabling these stocks to be sold in foreign countries in much larger quantities than could be done had the extra quality not been present.

The scientist, admitted, however, that in spite of the extra quality there were still unsold surpluses, and that, therefore, something else is needed too. What this something else is was explained by the agricultural economists, and that important matter I will discuss in a forthcoming article.

E. Bills writes From Van Nuys

June 29, 1939.

To Crossfield Chronicle,
Dear Sir:

Well, here we are in Sunny California and the fruit and ball games are great. Have seen Hollywood and Sacramento play a double-header, June 25, and saw several X big league players in action, such as, Ogdowski, Dib Williams, Tony Freitas, Winsett, Babe Herman, Billie Cissell, R. Kahle, E. Orsatti, F. Morehouse, Fay Thomas, Pooch Puccinelli and lots of International league players also and some very promising young players getting their first chance and they certainly look good.

Then we saw Los Angeles and Hollywood play a night game on Wednesday June 28, and had the pleasure to see Ripper Collins in action, and what a sweat player, and a young player (Louie Stringer) on second base for L. A. is being coached by Collins and looks great, and Eddie Mayo third base, Ed Eihocki, short-stop, make some infield and they have plenty of reason to be at the top of the Pacific Coast League. I will have a consultation with Andy Devine and report to Happy on what to do in his spare time (if he has any) later.

As I write this I am hoping the Crossfield Boys can take the money in the tournament tomorrow and I am pulling hard for them even if I am so many miles away.

So good luck to all the Crossfield teams and all.

Sincerely yours

Everitt Bills and Family

Sports Day Again Over For A Year

Owing to unfortunate circumstances the annual sports day, held last Friday, was not the success it might have been. The roads were not in the best condition, and being that many of the children had not finished school, they were unable to attend.

We trust, however that next year will be better and more people will be able to attend.

Notice to Speeders!

Corporal Cameron informs us that he is patrolling the highway and will prosecute anyone who persists in exceeding the speed limit on the sections which are being hard-surfaced.

Cremona Notes

We hear that the Beaver Dam R.M. is going to do some road-work by the Government Grant, in accord with the Voucher System. We are still waiting to hear from our councillors.

We understand that one Trustee of the Atkins school District has resigned and that meeting is being called to replace the one resigning.

The Cremona Sports were a very good success with a fine day, a good attendance and many at the dance at night. The young people of Cremona put on their concert from 7 to 9 p.m.

Mr. P. Wild's child was lost in the bush near the Little Red Deer for over a half day. The whole community was out searching for her and was found near Warren Thompson's near the river by C. Waterhouse. This child has wandered away from home several times.

Now the School days are over for a while, the children are at liberty once more to visit as they see fit. People of Cremona are wondering what the large Division is going to do in respect to a High and public school, as matters seem to be rather disturbed in the district.

Unity Meeting of Cochrane Riding held at Cochrane

A Unity meeting of the executive of the Cochrane Riding was held at Cochrane, in the Veterans' Hall, Thursday evening last, when it was decided to hold a convention there on August 2. All primary meetings of the different polling divisions are to be held not later than the 26th of this month.

It was further decided that a delegate for every 50 voters will be eligible to vote at the convention for a candidate. It is expected that this will mean that from 120 to 150 delegates will attend. Apart from this any who are interested are invited to attend this convention.

Unity Council Notes

CALGARY, July 3: Dates of two provincial constituency conventions were decided in the Calgary area last week. Executive of the Banff-Cochrane Constituency Unity Association, at a meeting in Cochrane, decided upon August 2 as the date of selection of a Unity candidate and the executive body of the Gleichen Unity Association at a meeting at Strathmore decided upon July 26. The nominating conventions will be held at Cochrane and Strathmore and will be composed of delegates chosen by the citizens supporting united political action in the polling subdivisions. Banff-Cochrane will send one delegate for every 50 voters on the 1935 voters' list to the convention, and Gleichen one delegate for each 25 names.

Indications are that these two conventions will be immediately followed by others in support of the Unity Movement in central and southern Alberta.

Business goes where it is invited and stays where it is made welcome.

Baptist Church Notes

The rally is on and many are enjoying the fellowship of this annual event. All are welcome to the services.

Next week special evangelistic services will be held in the church each evening.

Unveiling of War Memorial

It would seem that after twenty years of peace since the Great War, it is not necessary to have a memorial in memory of those who gave their valued lives for the peace and safety of the remaining ones, but when one thinks of what might still happen and the fact that the local Legionaires worked hard and were able to collect the required amount for the building of a cairn, we are pleased that it is completed and, regardless of the future, the memorial stands. Undoubtedly it was the full intention years ago to erect the memorial we have, but, perhaps due to unorganization, it was continually "put off" until the next year.

Now the intentions of the first and the wishes of those who wanted a memorial, have been fulfilled, and we are about to take part in the unveiling ceremony, which is to take place on Sunday, the 30th of this month.

Around Field and Barn by E.M.C.

As a result of my remarks some time ago on Unity, I have been asked what there is in Unity to support, and why. An answer is expected, and I am not asking why they do not support Unity.

I favour the Unity Movement in order to help bring about that condition that the name implies, "Unity."

For too long now the citizens of this province have been in the shadow of doubt and bitterness, disunited and unfriendly, intolerant and even revengeful.

Such a condition of affairs reacts unfavourably on the whole community, province and government, and another election without Unity will only heighten the temperature.

I do not favour Unity to help defeat the Social Credit government, or to block the ambitions of some Liberals, or help any one party or group. I am not interested. Unity of all broadminded, unselfish citizens, of all opinions, is needed at this time, if we are to avoid the very unsettled conditions that will otherwise prevail after the next election, no matter what "party" is returned to power.

At this date it would appear that without a strong Unity organization, the S.C. party will be returned with a reduced majority and the Liberals will become the official opposition. No party will have a safe working majority, but on the sidelines, as it were, we will have the odd members who will have no interest in the government or the opposition; the Independent S.C., a few C.C.F., a few Unity, an odd Ind. Liberal and such.

It is not unreasonable to expect that these few, working together, will hold the balance of power. Is that your idea of democracy in action? does it show good judgment to allow such a condition? you have minority rule!

Never mind party, forget it for a while at least. This province has a legislature, not a parliament, and there are nine of them in this Dominion.

Why not try and ape the senior government? our legislature, overstalled with members, is nothing more than a glorified (continued on last column)

Water Valley, Alta,
July 3, 1939

Editor, Crossfield Chronicle
Dear Editor:

In glancing through the Chronicle of June 29th I notice that your breezy new correspondent for Water Valley made a mistake in the date for the next Social Credit meeting, which I hasten to correct. The date is July 6th instead of the 8th as stated. On the afternoon of that date at 2:30 p.m. the W.S.-C.A. will meet at the home of Mrs. Bert Olson. Mrs. Gostick M.L.A. is expected to be present and all the ladies of the district are invited to attend. Lunch served by the Committee. In the evening of the same day there will be a public meeting at the Hall which will be addressed by Mrs. Edith Gostick M.L.A. of Calgary and Wm. King M.L.A. of Cochrane. Everyone cordially invited. Ladies please furnish.

I also noted the manly apology of A. G. MacNicol. That is the right spirit, Glen. If you have unwittingly hurt the feelings of another acknowledge it kindly and all should be friendly as before.

Finally, apropos of nothing in particular, I am moved to submit the following story; A little girl was once rude to a dear friend of her mother's. Her mother being quite annoyed at the occurrence said "Now tell Auntie you are sorry." The child looked earnestly into the face of her old friend and said, "I am s-sorry, Auntie, but I don't t-feel sorry."

My name is with the editor but I prefer to sign myself simply

Hail on Tuesday missed Crossfield, but Arnotts, four miles north, were touched.

Miss Lilie Michel left for Calgary Monday, where she will attend summer school.

We have been informed that a ten-pound son was born to Mr. and Mrs. Harold Harrison, Madden, on June 19.

Mrs. Geo. Ainscough, together with her son Ernest and daughter Phyllis, visited in the southern city last Friday.

Miss Betty Stamp left Monday for Penticton, B.C., where she has accepted a position.

Mr. and Mrs. E. Fox, Mr. and Mrs. R. Fleming and Messrs. H. and R. McFadyen were seen in Calgary Thursday last.

Miss Catharine Laut, of Calgary visited at the home of her parents, Mr. and Mrs. J. R. Laut, over the holiday.

Mrs. F. T. Baker was a visitor to Hanna on Sunday, where Arthur will be relieving in the Bank for two weeks. Mr. and Mrs. Winning of that town wish to be remembered to their friends in Crossfield.

Mrs. F. Wittke and two sons left last Saturday for Medicine Hat, where they are attending the Church of God convention. Mr. Wittke and Clara followed on Tuesday. They will all return next Monday.

council. It may be a stepping stone for the ambitious who are not long content to remain active in provincial affairs, but "party" diplomacy has as often wrecked a good man as not. No good man should need a party to uncover his ability. The Unity nominee must, in the very nature of the conditions, be superior to any party choice. There are defeated candidates who could very well supply the need as well as citizens who are perhaps too modest or reserved to offer their services.

Rise above party and petty loyalties, support Unity, or get another laugh. It can unfortunately still be said that "Each is for the party, but none are for the state." Are you one who votes for the highest bidder?

crowd was on Troublesome Valley for a picnic dinner with part of Water Valley school there. Races were run and a good time enjoyed by all until during a ball game, when one of the players let a bat slip from his hand and hit Clifford Jordon in the pit of the stomach.
